

BINDING LIABILITY INDEMNIFICATION

2019/2020 Schedule of Indemnified Bindings

Amer Sports binding indemnification applies to the 2019/2020 Retail Binding Line, 2019/2020 Rental Binding Line, Non-current Retail Binding Line and Non-current Rental Binding Line models listed **on the next page**. Indemnification does not apply to older non-indemnified binding models.

Non-Indemnified Bindings

Older models of bindings no longer on the Schedule of Indemnified Bindings may still be serviced, however **Liability Indemnification will not be offered by**

Amer Sports for these models of bindings. Dealers wishing to service these models of bindings can reduce their liability risk by requiring an additional waiver and release agreement and

attaching it to the Workshop Form. Such waivers should be reviewed by a dealer's own legal counsel to ensure compliance with applicable laws.

Salomon, Atomic and Armada bindings are not designed or tested for use with **Monoboards**, therefore bindings mounted on Monoboards will not be indemnified.

Authorized Dealers

Amer Sports offers liability indemnification to Authorized Dealers. Amer Sports will, to the extent, and within the limits that insurance coverage is available, defend and indemnify an Authorized Binding Dealer against liabilities from claims presented by any customer of the Authorized Dealer arising solely from the use of Salomon, Atomic or Armada bindings, provided:

- A. The dealer purchased the bindings from Amer Sports or one of its OEM partners.
- B. The dealer has received written notice of a claim involving bindings.
- C. The claim alleges use of the bindings resulted in injury.
- D. All recommendations, procedures and policies in effect at the time of the incident were followed, including, but not limited to, those contained in the Shop Practices Manual, Technical Updates (if applicable), Purchaser Policies and General Terms & Conditions.
- E. The Certified Technician is of legal age, defined as the "legal age to work," according to the laws of each state or province.
- F. The dealer uses workshop and/or rental forms the same as, or equivalent to, Salomon/Atomic/Armada forms with currently approved Liability Release Language.
- G. The dealer maintains proper and complete records for all bindings mounted and/or adjusted for a period of five years or the statute of limitations of the state or province, whichever is longer.
- H. The dealer provides written documentation of the technician's employment or sponsorship, and training (e.g., method of training, proof of certification, etc.).
- I. A copy of the properly completed workshop form or rental form, including a signed release, is submitted.
- J. A properly completed Post Accident Ski Equipment Inspection Report, the same as or equivalent to the exemplary form displayed in this manual, is submitted.
- K. Any other helpful information such as a Ski Patrol Incident Report Form is submitted.
- L. The dealer provides Amer Sports with prompt notice of the claim.
- M. The dealer cooperates fully in the investigation, litigation and/or settlement of the claim.

Amer Sports may terminate indemnification, with respect to bindings, upon providing written notice to the dealer.

Legal Claims

In the event an equipment user or anyone acting upon the equipment user's behalf contacts the Authorized Dealer regarding a potential claim:

1. Use your best efforts to determine the exact nature and details of the claim.
2. Avoid expressing opinions concerning the claim. You may, to the extent that you have complied with all recommended procedures, indicate to the claimant or the claimant's representative that recommended procedures for service and adjustment of the equipment were followed.
3. Notify your insurance company. Amer Sports indemnification is not a substitute for liability insurance.
4. Gather all information and documents listed in the Liability Indemnification section for that specific product and send the documents with a brief description of the incident to:
