

Drew and Tory of **101.7 The Bull** are collecting as many new bicycles & helmets as they can for kids of all ages this Christmas to be distributed by Community Action of Southeast Iowa for the counties of Henry, Louisa, Des Moines & Lee.

"So many people go without on Christmas, but kids shouldn't have to. To know we could put smiles on even a few kids faces would be the best gift we could receive this Christmas!" – Drew & Tory

Starting on December 9th at 6a.m. - December 11th at 10a.m, Drew & Tory will be braving the winter elements living & broadcasting from a scissor lift 43' high in the parking lot of Shottenkirk Ft. Madison.

Available items are listed below. You are welcome to join us for delivery Saturday morning!
