Commercial Division

Welcome to BGI's Commercial Division, proudly serving Indiana since 1983. We offer a complete line of cycling and fitness products from industry leading manufacturers.

With 4 locations and over 80 employees, Bicycle Garage Indy is a locally owned business with a nationally recognized reputation for quality and service.

One Stop Solutions

- Facility Design
- Configuration
- Delivery & Installation

Our staff is uniquely experienced to provide you a one stop solution for your bicycle parking needs.

We will review your requirements, available space and budget, and work with our industry leading vendors to find the configuration that best fits your needs. Permanent installation is available and delivery is always free.

Our experience let's you stay focused on your business.

Grid & Wave Racks

We offer a wide selection of grid and wave racks, suitable for a wide variety of installations.

Inverted U Racks

Popular with bicyclists, Inverted-U racks offer flexible capacity and installation options requiring a minimum of space

Architectural Racks

Available in both single post and Inverted-U designs, Architectural racks will complement the theme of your neighborhood or business.

Indoor Storage

Indoor racks efficiently use space to securely store employee, tenant or guest bicycles.

Event Racks

Easily stored event racks allow you to create temporary, high-capacity bicycle parking areas for your festivals and outdoor events.

Bicycle Lockers

Bicycle lockers are a favorite with serious bicyclists. Lockers are suitable for both indoor or outdoor installations.
