TERMS AND CONDITIONS

All products offered under the NICA Team Partnership program are subject to availability. Product ordered must follow the open stock policy of having 10 or more items in open stock at time of order. Re-Sale Policy: Retailers, teams and athletes participating in the NICA Team Partnership program certify and agree that the bikes and equipment being bought and used are for personal racing use only, and will not be sold for one (1) year's time from date of purchase. Teams and athletes also agree that at any time, no sales of new products purchased under this program may occur by mail order, catalog, or over the internet, which includes any means of online trading.

Specialized reserves the right to terminate a retailer, team and/or athletes from this program at any time, for any reason, and for any length of time. At Specialized's discretion, retailers and teams may be given one warning from Specialized to follow directions before privileges granted under this program are revoked.
