

## **Wheel Sport *Ride-Ready* Limited Warranty and Policy on Replacement Procedures and Responsibilities – Pre-Owned Bikes**

Your purchase includes the following warranty, which is in lieu of all other express warranties. This warranty is extended only to the initial consumer purchaser. No warranty registration is required. This warranty gives you specific legal rights, and you may have other rights which vary from state to state.

### **Frame**

Frames are warranted by the bicycle manufacturer to the initial purchaser of a bicycle when new. These warranties are generally not transferable. Wheel Sport has visually inspected the frame for visible defects, but has not performed any non-destructive testing to determine the actual integrity of the frame, and no warranty is made regarding the structural condition of the frame. Wheel Sport will work with the purchaser of the bicycle to seek a manufacturer replacement frame in the event a defect or breakage is found, but makes no representation that a replacement frame can be obtained.

### **Parts**

All other parts of the bicycle, except **Normal Wear Parts**, are warranted against defective materials and workmanship for 365 days following the date the consumer purchased the bicycle, as indicated on the sales receipt, subject to the Terms and Conditions of this Limited Warranty. If failure of any part should occur due to faulty materials or workmanship during the warranty period, the part will be repaired or replaced. All warranty claims must be presented to a Wheel Sport retail location or must be shipped prepaid and accompanied by proof of purchase. **Workmanship claims will be performed by Wheel Sport employees only, the cost of which will be covered by this warranty.** Any other warranty claims not included in this statement are void. This specifically includes installation, assembly, and disassembly costs by non-Wheel Sport employees. This warranty does not cover paint damage, rust, or any modifications made to the bicycle subsequent to the purchase. **Normal Wear Parts** are defined as grips, tires, tubes, cables, brake shoes, chain, and saddle covering. These parts are warranted to be free from defects in material and workmanship as delivered

with the product. Any claim for repair or replacement of **Normal Wear Parts** (grips, tubes, tires, cables, brake shoes, and saddle covering) and missing parts must be made within thirty (30) days of the date of purchase.

### **Warranty Service Location and Transportation**

**All warranty work under this Limited Warranty must be performed at a Wheel Sport retail location by Wheel Sport employees.** Warranty coverage does not apply to work performed by any other shop or individual. It is the owner's responsibility to deliver the bicycle to, and pick the bicycle up from, a Wheel Sport location for any warranty evaluation or repair, including any packaging and shipping costs when the bicycle is located outside the state. **Transportation, shipping, and related costs are not covered by this warranty.**
