

## Order and Shipping Policy

For curb-side pick-up please contact the store after you have received notification that your item is ready and arrange a time to pick it up.

We will gladly deliver any phone or online order over \$50 to your home, free of charge. Anything less than \$50 can be picked up in store with appointment, curb-side for those limiting exposure, or delivered regardless of the order size for the delivery fee of \$5.

Unfortunately we can not take orders on bikes through our website, but we work with amazing companies like Specialized, Trek, And Giant that allow you to shop and purchase bikes directly through their websites. Any order you place will in turn be shipped to us for assembly and made available for you thru delivery or pick-up. (Limited to within 50 miles of Pocatello)

Delivery and pick-up times will vary on items that are in not in stock, but typically we can have that product available within 1 to 2 weeks.

If you have any questions regarding any item you see listed on our website, please call us at 208.232.8996 where you can reach one of our sales staff members.
