

# WHY LEASE?

The bottom line is kids have more fun and learn to ride better faster on bikes that fit them properly. It's just too expensive to keep buying your kids new bikes every single year! With our seasonal lease program, you can keep your kids on properly fitted, well-maintained bikes for a fraction of the cost\*. One yearly fee gets you a bike and two(2) scheduled tunes per year\*\*. Bring the bike back at the end of the year, and the following season we'll make sure your kids are once again on the correct bike for maximum progression!
