

## MORE THAN A STUDIO CYCLE

If you love a real studio ride, our new ICR50 makes it easy to take on a virtually limitless variety of cycling workouts in the comfort of your own home. Advanced ergonomics and precision design deliver performance every bit as intense as your favorite class. The optional 22" IX Display completes the immersive experience when you connect your device to stream live and on-demand classes, virtual courses or your favorite entertainment. ICR50 cycle is even Bluetooth compatible to work with the leading training apps.

### Precision Resistance

Precision resistance lever makes quick, repeatable changes easy

### Integrated Device Holder

Keep your smartphone or tablet clearly in view for easy access to on-demand fitness, virtual rides and entertainment

### Rear-mounted Flywheel

Protected, rear-mounted flywheel design shields critical components from sweat, reducing maintenance and extending equipment life

\*\*Power (watts), speed, RPM (cadence) and distance accuracy may vary and differ from LED console display. Operating systems and data pulled from the cycle vary by app. Subscriptions not included.

## IX DISPLAY

### UPGRADE FOR A FULLY IMMERSIVE EXERCISE EXPERIENCE

Get a real studio cycling experience at home with a 22" immersive exercise display for streaming live and on-demand classes, motivating virtual courses or your favorite movies and shows from entertainment apps. Easily connect with your HDMI® to USB-C or Lightning cable to mirror your device on the high-definition LED screen. Or play your favorite apps from your streaming media device. (HDMI cables, media player and devices not included).

## LCD CONSOLE

### SIMPLE METRICS AT YOUR FINGERTIPS

Add our sleek LCD console for real-time workout feedback, including time, distance, calories, heart rate, RPMs and speed. Integrated Glow Ride lighting system to lead riders through HIIT, speed interval and heart rate interval training programs. The console is compatible with wireless heart rate technology (wireless heart rate device not included).
