

# PALISADE CLIMBER

Offering a premier double-braking system, best-in-class serviceability and versatile ease-of-use, TRUE's Palisade Climber has been crafted to be rich in experience and easy to service. An exceptional solution for your club.

## DOUBLE-BRAKING SYSTEM

One brake keeps the product from over speeding, the other brake locks down the steps when the machine is not in use.

## PHOTO-INTERRUPT SAFETY SENSOR

locks the mechanical brake if any unsuspecting item breaks the plane of the sensor.

## FEATURES

- More square inches per step than similar products in the industry
- Step-up assistance (rear steps, integrated side pegs, dipping handrail)
- Double-Braking System
- Fixed transportation wheels are adjustable
- Heart Rate Sensors – contact and wireless
- Person present detection provides extra safety precaution
- Photo-interrupt safety sensor (additional)
- AC Drive System provides durability
- Maximum user weight up to 400 lbs / 181.4 kg
- Resistance Level - 20
- Contact HR
- Dual Thumb switch control
- Dual bottle holders
- Easy-access front panels
- Sweat tray (optional)
