The Q47 expands the innovative and functional programming options of CROSS CIRCUIT with optional stationary side platforms and powerbands to help you have the best workout possible. Look and feel better in less time with Octane.

LOWER-BODY MOVEMENT

Feel the flow with enhanced engineering ergonomics; Octane delivers the most natural-feeling elliptical experience today.

CONVERGING PATH

Patent-pending handlebars are the key to upper-body motion that delivers exceptional results, shaping and toning the arms and shoulders.

MULTIGRIP

These one-of-a-kind proprietary handlebars with multiple hand positions provide variety and comfort for any exerciser.

CROSS CIRCUIT+

Exclusive to Octane Fitness, motivating workouts that combine cardio sessions with strength intervals to increase daily energy, improve health and lose that unwanted weight.
