WHAT IS THE IC4?

World Class Cycling Apps

Designed to work with the Peloton® and Zwift® apps. Stream thousands of classes directly into your home or compete against others in a virtual world that motivates you at every mile.*

**Requires separate digital subscriptions.*

Explore the World™ App

Automatically adjusts to your speed as you move through virtual courses, exotic locales, and stunning trails from around the globe.²

²3 free courses available. Unlock more with Explore the World™ App subscription.

Magnetic Resistance

Magnetic resistance provides a smooth, quiet ride with 100 micro-adjustable resistance levels.

Dual Link Pedals w/ Toe Cages

The IC4 offers the flexibility of using standard toe cages or SPD clips based on your riding preferences.
