WHAT IS THE R618?

Explore the World™ App

Automatically adjusts to your speed as you pedal through virtual courses, exotic locales, and stunning trails from around the globe.*

Tilting Console

Adjustable Sight Line™ tilting console with blue backlit DualTrack™ screens provide visibility to 29 workout programs and metrics, even when the media tray is in use.

Recline Seat

Dynamic Recline Nautilus Gel™ seat provides adjustment for back support and cushions the glutes.

Integrated Controls

Performance urethane-coated handlebars with integrated incline and resistance controls make it easier to adjust the level of intensity during the workout.

*3 free courses. Unlock more with Explore the World™ app subscription.
