

CLUB TREADMILLS

SUPERIOR STRENGTH AND DURABILITY

Our treadmills have been placed in the most demanding commercial environments around the world, where our fitness equipment has proven its strength and endurance. When using a Landice treadmill in a commercial facility, you can be confident of its long-lasting and reliable performance.

EXPERT CRAFTSMANSHIP SINCE 1967

A SMOOTH RIDE

Landice is the industry leader in treadmill shock absorption. Our standard VFX Shock Absorption System provides optimum comfort while reducing impact on your joints. It is 5 times softer than running on grass and great for runners and walkers seeking impact reduction.

THE FINEST TREADMILLS

Landice built its reputation on the quality and craftsmanship of its treadmills. Since 1967, we have engineered the most innovative and durable fitness products in the industry, in the USA.

COMMERCIAL WARRANTY

The Club warranty covers products for more than 5 hours of usage per day in any pay-for-membership facility.

**5-year parts, 3-year console,
2-year wear items, 1-year labor**

THE BENCHMARK FOR FITNESS

TREADMILL FRAME COMPARISON

[†]The stated horsepower is based on the motor's horsepower rating as measured in a laboratory setting. The motor's horsepower rating is an indication of the robustness of the motor. It does not reflect the operational horsepower of the motor which is typically limited by home electrical systems.

CLUB

Designed specifically for high-volume usage in health club settings, the L-Series Club treadmills are ideal for walkers, joggers and serious runners alike. The L7 offers an aluminum frame and whisper quiet 4 HP[†] continuous duty motor, and the L10 offers a steel frame with a 5 HP[†] AC drive. The L7 offers one of the lowest step-up heights in the industry, while the L10 accommodates users over 6 feet tall with a spacious running surface.
