

2019 Buck Hill Race #2

These results have errors in accuracy.

There are confirmed errors in timing in the Advanced race and the Sport men. The podium placings are accurate, however, there are errors in the placings that are outside the podium for those races. We are deeply sorry for these mistakes and are putting all of our resources into ensuring this is our last week with less than rock solid, accurate results.

To help apologize for this bumpy start your next single day pre-registration will be half-off with the coupon code:
