COURSE INFO

- The 2022 "8 Hours of Humboldt" lap will take you on a challenging but fun adventure through the redwood trees of the Arcata Community Forest. This year's lap includes local favorites such as all of Trail 13 and the new and improved "Peanut Butter" trail. It is rideable for all levels.
- The cool coastal breeze will motivate you to pedal hard up the steep but not-too-long climbs on mostly wider trails or roads, so you can rip down the single-track descents.
- Scroll down to find the course map and turn-by-turn instructions. The course will be very well marked on race day, and course marshals will help guide you along the way as well.

FOOD, DRINK, AND MORE RACE DAY INFO

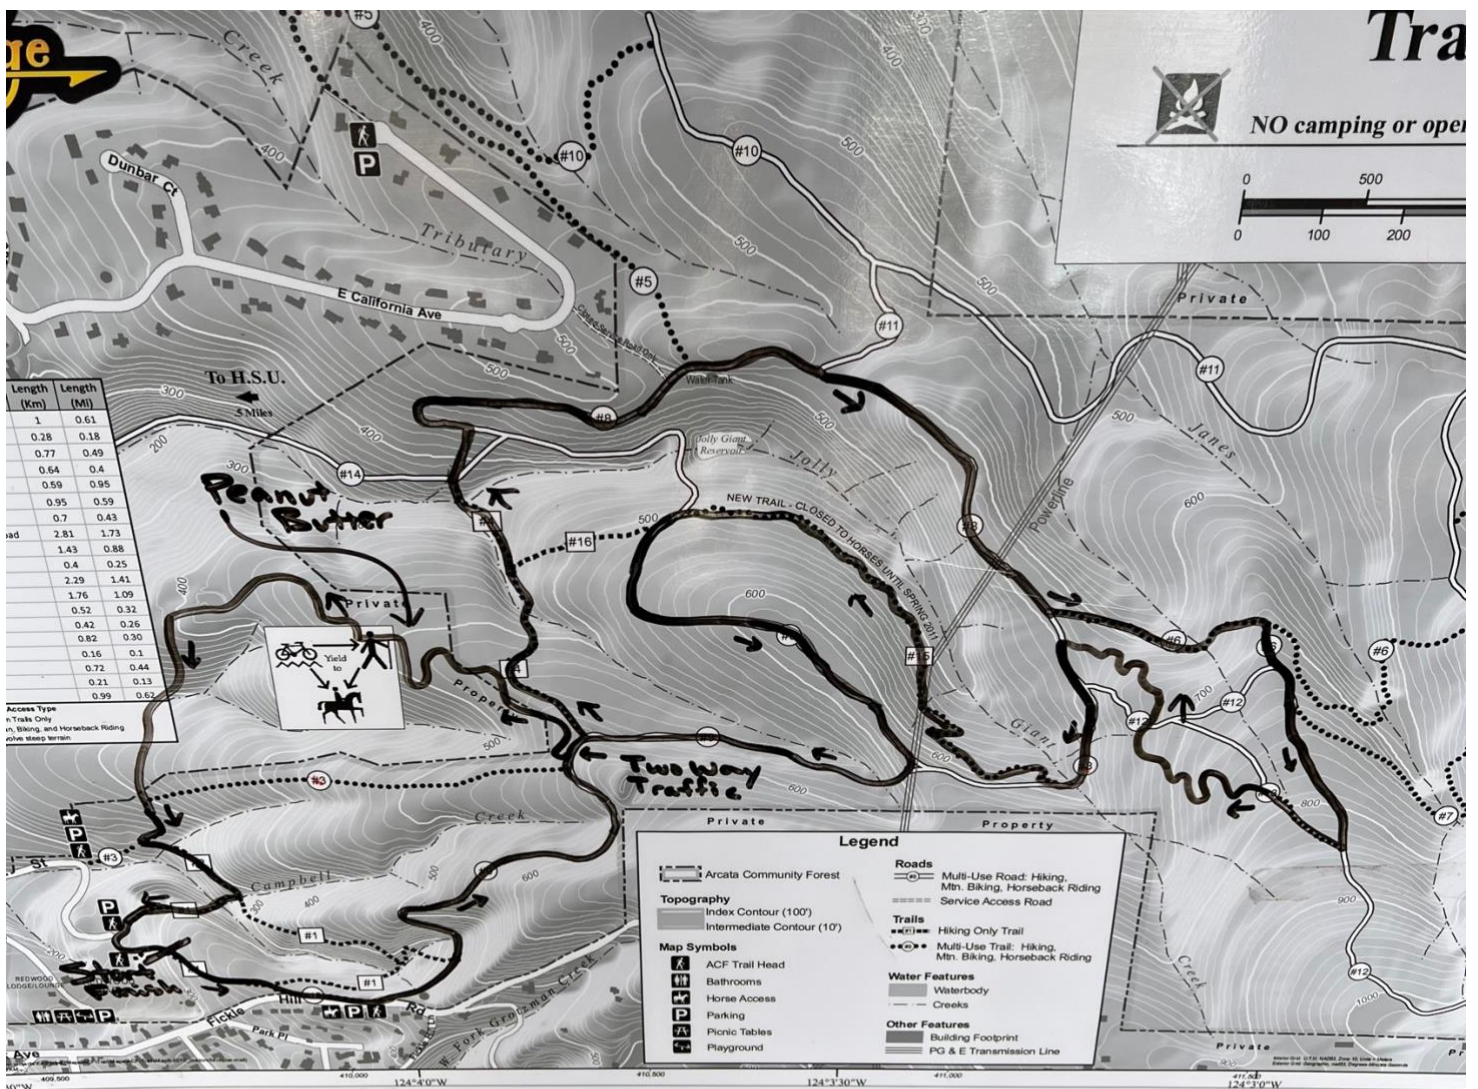

- Come early to get a spot staked out for yourself and your team at Redwood Park. Things you may want to bring: pop-up tents, lawn chairs, blankets, drinks, and snacks.
- Lunch will be provided for free for all racers.
- Free drinks (including beer) will be available for all racers throughout the day.
- Humboldt Composite Mountain Bike Team will provide baked goods for purchase. Buying these treats will provide fuel for your next lap and funds for the next generation of riders.

PRIZES

- Awards ceremony will be held ASAP after the final lap.
- Awards will be given for first, second, and third place winners of each category.
- Riders will also be awarded for fastest lap of the day.
