

DRAUGENKLAW FLAT BAR INSTRUCTIONS

SAY GOODBYE TO COLD. SAY HELLO TO COMFORT.

45NRTH is built on real-world needs and knowledge. Our collection delivers unrivaled comfort and control through advanced technical design and effective use of materials. We have more people who ride more miles in colder weather than anywhere on the planet. Enjoy.

⚠ WARNING: Cycling can be dangerous. Bicycle products should be installed and serviced by a professional mechanic. Never modify your bicycle or accessories. Read and follow all product instructions and warnings including information on the manufacturer's website. Inspect your bicycle before every ride. Always wear a helmet.

GENERAL SAFETY CONSIDERATIONS

Riding bicycles in the winter is a lot of fun. You get to ride in different places, in different ways, with different gear than most other seasons. Our mission at 45NRTH is to enhance the comfort and control our customers experience while riding in cold weather. While we produce gear that improves control on ice and snow, there are inherent risks one assumes while riding in such conditions. Like other cycling disciplines, winter cyclists have different skill levels and experience. It is your responsibility to ride in ways that do not jeopardize your safety. We help you gain comfort and control with technical solutions for hands, feet and traction. You help yourself by using your common sense! With that, here are some basic winter cycling guidelines to consider:

- Use blinking lights and reflective materials on your bicycle and body
- Dress in layers using clothing made of wool, synthetic fibers and windproof materials
- Carry spare gloves, socks and a light insulating jacket with real or synthetic down-fill
- Riding studded tires on ice or snow does not provide the same amount of traction as a normal tire on pavement—use caution whenever you ride on ice or snow!

COMPATIBILITY

45NRTH's Draugenklaw is a cold weather riding supplement to be used in addition to gloves or mittens. It keeps out the elements beyond what a glove or mitten can do alone. The Draugenklaw is intended for flat or riser mountain bike handlebars only.

⚠ CAUTION: Installation of 45NRTH's Draugenklaws may affect bicycle handling and riding. Always ride with extra care and attention in wintery, rainy, and windy conditions.

Additional Product and Safety Information can be found on www.45NRTH.com/safety

TOOLS REQUIRED

5mm hex wrench

INSTALLATION

1. Remove any handlebar-end plugs before installing Draugenklaw pogies.
2. The right and the left pogies should be oriented with the 45NRTH logos facing skyward and upside down to you (figure 1).
3. Unzip the zipper at the inside corner of each pogie.
4. Fit the open ends over the grips, shifters, and brake levers. The opening should be pointed towards the stem of your bike (figure 2).
5. Line up the large rivet at the upper right of the right pogie and the upper left of the left pogie with the ends of your handlebar.
6. Place the 45NRTH bar-end plugs through the rivet and into your handle bar end (figure 3).
7. Tighten bolt on bar end plug until pogie and plug are locked securely in place.
8. Get outside and laugh in the face of cold, wind, and snow.

CARE & MAINTENANCE

Machine wash cold and drip dry when needed.

45NRTH LIMITED WARRANTY

45NRTH guarantees its products against defects in materials and workmanship for a period of twenty-four (24) months from the original date of purchase, subject to the limitations below. The proof of purchase date is the one that is specified on the retail sales receipt issued by the authorized 45NRTH dealer. This warranty does not cover the following:

- Damage due to improper assembly or follow-up maintenance or lack of skill, competence or experience of the user or assembler
- Products that have been modified, neglected, used in competition or for commercial purposes, misused or abused, involved in accidents or anything other than normal use
- Damage or deterioration to the surface finish, aesthetics or appearance of the product
- Normal wear and tear
- Minimal loss of studs on studded tires (it is common to lose 5–10 studs under normal use)
- Labor required to remove and/or refit and re-adjust the product within the bicycle assembly

This limited warranty is expressly limited to the repair or replacement of a defective product, at the option of 45NRTH, and is the sole remedy of the warranty. This limited warranty applies only to the original purchaser of the 45NRTH product and is not transferable. This warranty applies only to 45NRTH products purchased through an authorized dealer or distributor. In no event shall 45NRTH be liable for any loss, inconvenience or damage, whether direct, incidental, consequential, or otherwise resulting from breach of any express or implied warranty or condition, of merchantability, fitness for a particular purpose, or otherwise with respect to 45NRTH products except as set forth herein. This warranty gives the consumer specific legal rights, and those rights and other rights may vary from place to place. This warranty does not affect your statutory rights.

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
