Green Savings

	TOTAL Miles	Amt Saved TOTAL (since 3/08)		2021 miles	Amt saved in 2021	
Carbon Monoxide	344,398	16,669	Pounds	27,306	1,321	Pounds
Carbon Dioxide	344,398	275,527	Pounds	27,306	21,841	Pounds
Hydrocarbons	344,398	2,197	Pounds	27,306	175	Pounds
Nitrogen Oxide	344,398	1,136	Pounds	27,306	90	Pounds
Gasoline	344,398	13,776	Gallons	27,306	1,092	Gallons

Shifting Gears

Our partners for the Shifting Gears program include Indiana Department of Correction – Putnamville and Nine13sports, without whom this program wouldn't be possible.

2020-2021

Received **376** donated bikes

Distributed **310** bikes to organizations to give to people who need bikes

Since August 2006

- Received **6853** donated bicycles at Bicycle Garage Indy
- Distributed **6029** bikes to organizations to give to people who need bikes

Recycling @ FSC

TOTAL: 155 TONS!!

Metal, Cardboard, Paper, Plastic, Skids

Total net financial gain from recycling: ~\$25K

(includes payment for recycled materials and savings from fewer trash pickups)

**Also save \$10,000/year in fuel
with the Toyota Pruis vehicles**

Additional Recycling and Green Efforts

Dishes, silverware & coffee mugs: We stopped providing disposable plates, tableware and cups. We provide reusable plates, tableware and cups and at special events we try to purchase compostable and recyclable items.

Composting & Recycling: At our North store, we started composting and our recycling bins now allow us to recycle more items beyond cardboard.
