Here's the deal: Ride a Raleigh Special cruiser on a Kinetic Rock and Roll Trainer for two minutes in two-person heats. We picked the Special to level the playing field, but we'll still be measuring distance and wattage for fun and fabulous nightly prizes from our sponsors. **EVERY** participant gets entered to win one of two Raleigh Special bicycles - one men's, one women's.

Don't feel like being challenged?
Then just come watch the action!
